

## **Tour 1 : Botanic Gardens, Lunch & City Highlights Tour**

Date: Wednesday, July 9, 2008

Time: 9:00am – 2:00pm

Location: Pick Up @ Convention Center

Fee: \$48 (includes transportation, lunch, tour guide, snacks & water)

Max: 45 persons

Welcome to Denver!

Join us and our professional guide for an exceptional day discovering why Denverites love their city! Our day will commence with a professionally guided tour of one of the most beautiful gardens in the US – the Denver Botanic Gardens. Rooted a mile high, the Gardens have been a favorite destination for over 55 years. Art and science unite in the Gardens' spectacular 23 acre urban oasis, offering an unforgettable artistic garden experience, as well as a living laboratory for education and acclaimed conservation and research programs. Following the approximately 1 hour walking tour of the Gardens, we will relax with a box lunch in one of the many beautiful locations on the grounds.

After lunch we will re-board the bus where our guide will skillfully navigate us through some of the most interesting sites in the Denver City arena. Depending on time, stops may be made at the Capitol building, City Park or other downtown locations of interest.

We will return to the Convention Center in plenty of time for you to rest and relax before our opening Icebreaker that evening.
